Yoga & Catamaran

An incredible **Sailing and Yoga Adventure** awaits you! Join **Destination Wellness** on a well-appointed catamaran to various **palm-fringed islands**, called cays in Belize. We will discover **mangrove islands** and **peaceful beaches** as we sail aboard our vessel. With expansive integrated **outdoor dining, lounging** and cockpit space, made even more fun with a lowering **swim bench**, perfect for 'sit and dip' sundowners, you will spend time as you wish: relaxing, swimming, reading while caressed by the warm breeze or making the most of the fun equipment at your disposal. Let's go sailing in **Belize!**

Your Belize vacation includes a **captain** and a **chef**, who will prepare excellent gourmet dishes. You will also have access to a standard **open bar** (rum cocktails, beer and wine with dinner). And I bet the chef will gladly prepare a freshly caught fish... by you!

Q: What are accommodations like on my catamaran?

A: Guests will enjoy **double air-conditioned cabins** with luxury linens and their own **private bathroom/shower**. Common areas include dining and lounging areas, state-of-the-art entertainment system, and an **outdoor lounging** space, perfect for relaxing in the shade as you sail.

Q: What activities will I be able to participate in?

A: Besides **yoga** (on the beach or if you are up for a challenge, on the boat as you sail), you will have access to a variety of "toys" such as **kayaks, floaties, fishing gear, snorkel gear** and a stand up **paddle board!** You can be as active as you want; or you may simply admire the islands you sail to and by.

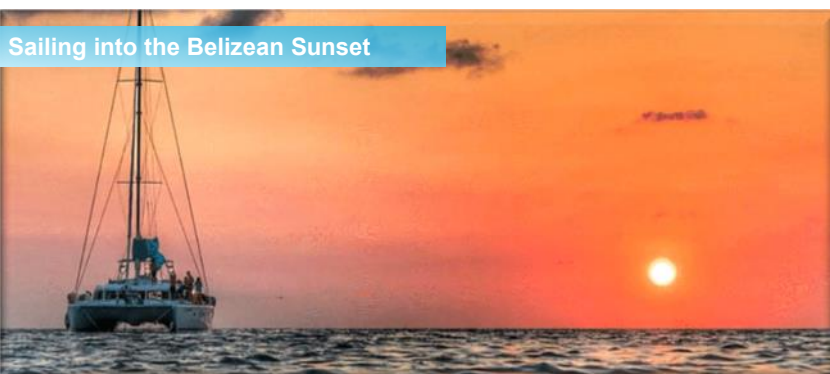

"Twenty years from now, you will be more disappointed by the things you didn't do than those you did. So throw off the bowlines. Sail away from safe harbor. Catch the wind in your sails. Explore. Dream. Discover."

Mark Twain

Q: Tell me about our itinerary!

A: Belize is dotted with so many **cays** that your captain would have endless itineraries to choose from. That being said, your travel expert will work with the charter company to create an itinerary that best reflects the **beauty of Belize** and the surrounding sea. Note however, that your captain may modify any itinerary based on maritime or weather conditions and for your safety.
